Sound System - SOUNDS SUPERB!!!!

At long last the Church's SOUND SYSTEM has been upgraded. New loudspeakers have been installed and the hearing aid loop has been improved.

Wherever you are sitting in the church, you should now be able to hear much more clearly everything that is being spoken or sung. However, some minor adjustments will probably need to be made over the next few weeks as we get used to the new system, to ensure that the sound is as good as we can make it.

Your constructive comments about the sound in all parts of the church would be very helpful. Please speak to either Gill Sinclair or Brian Thatcher.

Pew sheet

You are welcome to take this pew sheet home with you. Alternatively, if you wish to view this pew sheet online, or the pew sheets from the last 3 weeks, then please go to our website www.stmarysburghfield.org, where they can be found under Church Life/Information for Regulars/pew sheets.
