Summer Service pattern

Church Tower Update

You may have noticed that over the past month the Church Tower has been encased in scaffolding, this has been erected to allow contractors access to the top of the tower to give access to the roof, known as the "Pepper Pot".

Some years ago, a survey had identified problems with the stone roof and that day light could be seen through it. The Pepper Pot has now been washed down by a specialist contractor to remove the 175 years of algae and dirt. This has allowed for all the erosion to be exposed so that long term repairs to the stone & pointing can now be made by the stone masons. Photographs on the church website and on one of the Parish Centre noticeboards show some of the damaged stonework which will need to be cut out and replaced. The contractors will also be carrying out repairs to the lower parts of the tower, including the lower roofs & gutters. It is anticipated that the works should be completed sometime during August.

Food Bank

An App is now available for the Food bank advising of donations which are urgently required. You need to go to the Food Bank Redemption Media App and select West Berkshire. The bank urgently needs: Deodorants, shaving foam, washing powder, washing-up liquid. They are also low on coffee, Pasta sauce, dried onion granules and sugar Please no pasta, soup or beans or there is a good stock of these items.
